## **Better Banking With GO Federal Credit Union Savings Accounts**

**Dallas, TX, Nov 13, 2018** - We all need to save more money these days and GO Federal Credit Union in Dallas, TX (GOFCU) makes this task a piece of cake. In addition to the excellent checking account products offered, GOFCU offers an excellent choice in Share Savings, Kasasa Savings as well as IRAs, Money Market Accounts, and Term Share Certificates.

There is also an exclusive Youth Savings Account just for kids. By teaching youngsters the finer concepts of savings, they will start their futures financially bright.

The Health Savings Account allows members to save for medical expenses. These types of accounts have the benefit of no service fees, no minimum balance requirements, tax benefits, and of course, interest earned starting at \$100 average daily minimum.

There is no shortage of options when it comes to savings accounts at GOFCU in Dallas Texas!

### **Savings Made Simple and With Competitive Rates**

With only \$25, a member can open one of the many accounts offered at GOFCU and begin saving for the future. All savings accounts allow for competitive rates that will enable each member to enjoy benefits such as:

- Dividend payments each month on certain accounts
- Protection by NCUA up to \$250,000
- Overdraft protection
- One free withdrawal per month
- Free online banking with deposits
- Electronic statements
- Rewards programs on certain accounts

With these features, members will enhance their financial wellbeing and have the security of housing their money under one roof. Imagine having checking, loans, and savings in one location? Transferring money, making automatic payments, having overdraft protection, and automatic savings withdrawal, all being done at one place. Competitive interest rates offer members the peace of mind needed when it comes to managing their financial future.
