GO Federal Credit Union Discontinues Partnership with AllPoints ATM

Credit Unions in Dallas develop new partnership designed to give more money back to its members

Dallas, TX December 07, 2018 - GO Federal Credit Union, a Dallas credit union, is once again proving how dedicated to their members they are. As of December 31, 2018, GO Federal Credit Union will discontinue its longtime partnership with AllPoints ATM network. This news comes to members with the announcement of an exciting new feature in its place.

Dallas credit unions are striving each day to give more back to their members. GO Federal Credit Union is achieving this goal by introducing KASASA® Cash Back which gives you big bank rewards with all the credit union perks you deserve. It's a free checking account that earns 2.00% cash back on debit card transactions up to \$300 (max. \$6.00 per month). It allows clients to use their debit cards normally and receive rewards in the form of cash.

KASASA® Cash Back has many great features, the best being cash back. Setting up a KASASA® account is free and easy. With this new system, members will no longer worry about ATM fees forever draining their accounts. Any fees incurred due to the use of any ATM, nationwide, will be refunded to members when qualifications are met (max. \$4.99 per single transaction).

As the CEO of GO Federal Credit Union points out, "We are always striving to give members the best quality service by evolving our standards and services." Members are given the opportunity to be a part of a Dallas credit union that promises to be on their side.

Opening a KASASA® Cash Back checking account gives members of GO Federal Credit Union in Dallas a few perks to enjoy. There is no minimum balance, free bill pay, free E-Statements, and free online banking. This new system allows members to receive up to 2.00% APY on an account balance up to \$10,000.

As credit unions in Dallas strive to give excellent service to members, GO Federal Credit Union is achieving this goal in a wonderful way. By always looking for better options and higher profit transfers for members, this new relationship with KASASA® Cash Back looks to be long-term and fruitful.
