## GO Federal Credit Union Announces Referral Rewards Program

*If you are happy and you know it, tell your friends, get rewarded.*

**Dallas, TX, October 08, 2018** - Nothing says thank you like cash, and GO Federal Credit Union (GOFUCU) is going above and beyond to say thanks to its loyal customers with a new rewards program called Refer-A-Friend.

The program offers \$25 in cold, hard cash for each referral with an unlimited number of referrals available. GOFUCU is also offering \$25 to the person who is referred when they open a new account.

This rewards program reminds GOFUCU members that the best in banking is right around the corner. GOFUCU hopes to share its winning banking and loan processes with members who might be frustrated with big banks that seek profits over customer satisfaction.

The Refer-A-Friend program is available to all current GOFUCU account holders. There is no limit to the number of referrals a member can make, and nothing but money to gain from sharing the best credit union around. Refer friends, family and co-workers.

The best part is, sharing the power of the best credit union in Texas makes money and sense. Because GOFUCU, like other credit unions, is a not-for-profit business, referring friends increases the value of the credit union. The program is not just for friends, either. Refer mom, the plumber, the neighbor. GOFUCU will give \$25 for each referral, and put \$25 in the referred members new account.

GOFUCU representatives have additional information and can answer any questions about the program and help GOFUCU members start making more money, right away. And with no limit to the number of referrals for which members can be rewarded, there is no reason not to tell everyone.

So, the next time someone complains about the hidden cost of free checking with a big bank, or can't get through to the agent handling a loan, remind them that GO Federal Credit Union is the very best in banking in Texas, and put \$25 away. Just one more way GOFUCU is showing appreciation for its members, and an excellent program for helping members get money headed in the right direction.

With locations in Dallas and Lancaster, GO Federal Credit Union is the right financial institution, right around the corner.
