DON'T GET STUCK PAYING FOR SOMETHING YOU NO LONGER OWN! GET GUARANTEED ASSET PROTECTION (GAP) FROM GOFUCU

A GAP program helps cover the remaining balance on your loan if you experience a total loss before it is paid off. Most insurance policies only cover the actual cash value of your asset. As a result, there can be a substantial "GAP" between your loan or lease and the amount your insurance company pays to replace your vehicle.

GAP settles the difference between your primary insurance settlement and your remaining loan balance at the time of loss. Call us at **214-742-6551** and ask how you can get GAP insurance today.
